

The new SUPRA Silent leads its class in low-noise emission, and retains the temperature management and reliability of conventional diesel technology.

Designed for 24/7 deliveries, even in noise-sensitive residential areas, the Silent system is available on a range of 3 units:

- SUPRA 950 Silent
- SUPRA 850 Silent
- SUPRA 750 Silent

in 3 different versions:

- Standard single-temperature
- Multi-temperature, for total flexibility in multi-product deliveries
- Nordic, with electrical & hot water heating, for extreme low ambient temperatures.

▶ **Sound levels that are unheard of!**  
Noise levels are reduced by over 4dBA compared to previous generation models. That means 60% less noise!

▶ **New internal design features**  
The Silent system integrates a design exclusive to Carrier Transicold.

▶ **Exceptional reliability**  
Superior efficiency and enhanced product protection, even with frequent door openings.

▶ **With all the ease of use, service accessibility and exceptional cooling capacities** associated with the renowned SUPRA range.

	SUPRA 950 ▶ up to <b>90m<sup>3</sup></b>
	SUPRA 850 ▶ up to <b>77m<sup>3</sup></b>
	SUPRA 750 ▶ up to <b>66m<sup>3</sup></b>

SUPRA Silent	■ Refrigeration capacity* (Watts)				■ Airflow (m <sup>3</sup> /h)
	Road		Standby		
	0°C/+30°C	-20°C/+30°C	0°C/+30°C	-20°C/+30°C	
950	10770	6450	10030	6190	2700
850	7810	4910	6360	4270	2500
750	6780	3800	5810	3050	2250

SUPRA Silent	■ Weight (kg)	■ Dimensions (mm)	■ Required box opening (mm)	
			Single temp.	Multi-temp.
950	625	1995 x 940 x 699	1245 x 350	100 x 100
950 Nordic	633			
950 Mt°	573			
850	477	1823 x 856 x 644	1245 x 350	90 x 90
850 Nordic	476			
850 Mt°	448			
750	445	1823 x 856 x 644	1245 x 310	90 x 90
750 Nordic	441			
750 Mt°	419			

\* Ambient temperature at +30 °C (per A.T.P. procedure)

SUPRA Silent has been the object of extensive acoustic research:

- ▶ Noise identified and eliminated at the source (new exhaust muffler, air filter, platform on silentblock)
- ▶ Residual sound trapped inside the unit (new sound-absorbing materials in doors, skins, improved air circulation).

Specifications are subject to change without notice.

500 Carrier service stations in Europe, Russia, Middle East and Africa
